→ leads to content arranged by topic with related links to similar / more in depth pages. Content aimed at non-scientists.
→ links to Our Science

Specific content aimed at farmers & landowners (should it be called farmers?)
- "how to do" & "why"

→ Details of the science we are doing - quite in depth - arranged by area of science - links to relevant project websites.

Aimed at potential collaborators - highlights areas we want to work on, expertise we have etc. Business Price
